[ESEA FLEXIBILITY WAIVER SCHOOL DESIGNATION STATUS: NO SCHOOL DESIGNATION](#)

8/7/17

Dear Parent(s)/Guardian(s):

On February 9, 2012 the Georgia Department of Education (GaDOE) received waivers from ten requirements of the Elementary and Secondary Education Act (ESEA) of 1965, as amended by No Child Left Behind (NCLB) of 2001. ESEA/NCLB requires that parents or guardians who have children attending a Title I school be notified of the school's academic achievement as well as a school's designation under Georgia's ESEA Flexibility Waiver. This letter is intended to provide additional information concerning the options available to your child under Georgia's ESEA Flexibility Wavier, and to help you understand what the waiver will mean for you and your child.

Beginning with the 2012-2013 school year, the GaDOE transitioned from needs improvement (NI) school designations based on adequate yearly progress (AYP) reports to Reward, Priority, Focus and Alert Schools designations based on ESEA Flexibility Waiver formulas. Title I schools now implement specific programs and interventions based on Reward, Priority, Focus, and Alert Schools status. In addition, the GaDOE ESEA Flexibility Waiver outlines Georgia's new Single Statewide Accountability System, the College and Career Readiness Performance Index (CCRPI). The CCRPI serves as a comprehensive report card for all schools in Georgia. The state system gives parents, students, teachers and families a more complete and comprehensive picture of where a school or district is meeting performance expectations and where it is not.

The Georgia ESEA Flexibility Waiver also eliminated Supplemental Educational Services (SES) and Public School Choice (Choice). However, for schools designated as Priority or Focus (or Alert if they choose to provide the service) the Georgia ESEA Flexibility Waiver provides greater flexibility in designing a flexible learning program (FLP) tailored to the needs of the schools. As a result, these identified schools will have the capacity to serve more students in need of additional academic support.

I am very proud to tell you that **Folkston Elementary School** has not been given a school designation this year, which means we are continuing to provide a quality education to all of our students.

At Folkston Elementary School, we take pride in the educational opportunities we are able to provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure academic success. We have evidence that students are learning and making good progress, and we consider this to be an important indicator of success.

As we are achieving in many areas, we also know there is always room for improvement. An important part of our success is parent participation and support in developing activities to improve student achievement. We hope that as a parent/guardian, you will become involved in our school improvement initiatives as we continue to monitor student achievement and set high expectations. If you are interested in participating in developing our school improvement initiatives so we can continue to excel, contact **Michael Walker, principal** at 912-496-7369 or [mwalker@charlton.k12.ga.us](mailto:mwalker@charlton.k12.ga.us).

Thank you for all that you do to support your child's education.

Sincerely,
